Principal's Message

Welcome back Baker Bulldogs! We are ready for another exciting and successful school year. We are happy to share our school community with all of the new families joining us this year. Our student's success is our number one priority and we are committed to doing what it takes to support each child in their individual endeavors. Please make sure to familiarize yourself with our school by viewing our website at <http://blogs.egusd.net/baker>. Be sure to keep your phone numbers and emails current so you can stay up to date on current events and important information.

We don't want you to miss out on anything that goes on here at school!

Swimming Pool News.....

A HUGE thank you to EGUSD, in April we had an extensive remodel of our pool, decking and solar system. We are very fortunate to be part of such a wonderful district!

A Few Swimming Reminders:

Swimsuits & towels will be kept at school.

- ◆ Girl's swimsuits must be one piece.
- ◆ Boy's swimsuits must have liners.
- ◆ If the swimsuit does not fit correctly we will send it home.
- ◆ Put sunscreen on your child before they come to school.
- ◆ Dress your child in tennis shoes or sandals to walk to the pool.

Our swimming pool is heated, so the water is warm.

If your child does not bring a swimsuit, he/she will have to sit and watch their friends.

MIGHTY MILERS

Our students participate in the Mighty Milers Club. Each year our students strive to walk or run 100 miles, depending on their ability. They are able to earn rewards such as medals and a t-shirt, based upon the number of miles they have completed. Our school also earns new books for our students to enjoy each March.

Project RIDE Inc. welcomes all parents to come and watch their children ride, which begins the last week in August. Please call Lauren @ 916-685-7433 to get your child's precise time for the week. Remember, RIDE needs the students updated permission slip and physician form on file before they can ride.

Transportation
If you have questions regarding transportation, please call 686-7733. They will be better able to assist you - as they have direct contact with their drivers.
