Notes from the Office

ParentVUE - With the implementation of Synergy, the office is no longer sending student information home asking parents to manually make corrections. Instead, this is where ParentVUE comes in! Parents/guardians have the ability to update phone #'s, emergency contacts and physician information; streamlining the entire process in a more timely manner. Unfortunately, if you did not use your ParentVUE activation key, it expired on 9/24/17. Be sure to ask for a new one next time you are in the office.

Moving? - Be sure to notify the office as soon as possible and submit a proof of residency, i.e. rental agreement, purchase papers, SMUD bill. Remember, Transportation can take up to 2 weeks to change your student's route after they receive the request from our office.

Attendance - If your student is absent due to any type of doctor visit, please be sure to ask for a note for attendance purposes. The absence code will be changed from an A (excused absence) to D (doctor verified), but we need this note for auditing purposes. Reminder all absences must be cleared within 3 days. You may call the office anytime, email Lori @ LJWallac@egusd.net or send in a note once your student returns. Teachers are busy and may not remember to notify the office, so please be sure to personally inform us.
