Attention Visitors-

This is a friendly reminder that **ALL** visitors must sign-in at the office and wear a 'visitor' sticker at all times. Once your visit is complete, you must sign-out and exit through the front gate.

Unfortunately, visitors have been leaving through our side gates and leaving them open. Please help us keep our campus safe by following the above procedures.

MARK YOUR CALENDARS

The doctors from UCD Medical Center will once again provide **free** Project RIDE physicals on:

**Tuesday, March 15
2:30pm to 4:00pm.**

Remember - In order for your child to participate, a parent or legal guardian is required to be present during the physical. Permission slips will be sent home at the end of February.

Dr. Jurant and his team have provided this service to our students for 19 years!

It Takes HEART to be a HERO campaign

This year we are participating in Jump Rope for Heart through the American Heart Association. *Jump Rope for Heart* is a fundraising and physical activity program based around skipping. It teaches school aged children how to keep fit and healthy, all while having fun and raising vital funds for heart disease research and education.

Jump Rope For Heart Help Students Grow!

- Kids learn the value of community service and become empowered to contribute to their community's welfare.
- Children join together in helping other kids with special hearts.

Students learn how to develop heart-healthy habits while being physically active.

There are many prizes student can earn by participating. With just a \$5.00 donation your student will receive their first Heart Hero and a lanyard! On Friday afternoons we will be out on the track as a school to support this worthy cause. Please read the details that came home with your student.
